Additional Info

Why do you want to be a part of Team COPAXONE[®] (glatiramer acetate injection)?

Briefly explain how having RRMS has not stopped you from living your dream.

What message would you share with others diagnosed with this disease?

What type of sport or activity are you currently involved in?

How long have you been involved in this activity and/or what major accomplishments have you had?

How did you learn about Team COPAXONE® (glatiramer acetate injection)?

Please share with us, based on an annual sponsorship, what financial support you are looking for?

We thank you in advance for taking time to submit this information. Please be mindful that we receive numerous requests each year and can only fulfill a small handful. Requests are reviewed on an annual basis, typically in the fall for the following year's support.

Sincerely,

Team COPAXONE®
